

Stress Causes Wrinkles. Your Massage Shouldn't.

Cradle Fleece™ is the softest, most comfortable face rest cover available. While you send your client into soothing bliss, Cradle Fleece gently supports the chin to take pressure off cheek bones and keeps the face from squeezing through the face cradle. It also keeps the neck in proper alignment for prone neck massage.

Comfort

Cradle Fleece is much more comfortable than an ill-fitting pillow case. Your clients will thank you for their no-crease face.

Ease of Use

Put Cradle Fleece in position. Massage. Remove. Replace. Repeat.

Superior Washability

100% Polyester Fleece. Easy care. Machine wash cold, no bleach. Tumble dry, low heat.

Reuse

Cradle Fleece's soft-as-a-cloud polyester fleece is more stain resistant than cotton, and it doesn't shrink.

Cost

This is the best product for your money. Cradle Fleece are sold in three price categories: 10-99 units are \$2.99 each; 100-299 are \$2.00 each; and 300+ are \$1.50 each. Prices do not include sales tax (7.75% within California) or shipping rates.
